

Investment Analyst

As a member of the Myanmar Investments Limited (“MIL”) private equity investment team based in Yangon you will be responsible for evaluating, structuring, closing and monitoring investments.

Primary Responsibilities

1. Conducting preliminary assessment and evaluation of investment opportunities.
2. Conducting macro-economic and sector research as part of the investment process.
3. Tracking and keeping the investment team updated on Myanmar government legislation relevant to MIL and its activities.
4. Assisting in the preparation of investment reports.
5. Assisting in the negotiations and documentation of agreements.
6. Assisting in the preparation of investment proposals to the Investment Committee.
7. Assisting in the creation and evaluation of financial models on investment targets.
8. Assisting in due diligence exercises on investment targets.
9. Assisting in the monitoring and management of investee companies.
10. Assisting in the maintenance of a research and information database.
11. Other duties as assigned.

This position will report to the Investment Director.

Requirements

1. Undergraduate or postgraduate qualification in business or financial field.
2. Fluent in spoken and written Burmese and English.
3. Proficient in the use of IT and office tools such as Microsoft Word, Excel, Powerpoint.
4. Keen business acumen and familiarity with the Myanmar economy/market.
5. Strong analytical and interpersonal skills.
6. Familiarity with Burmese FRS and IFRS would be desirable.
7. Prior investment knowledge would be an advantage but not mandatory.
